

RURAL HEALTH VALUE SUMMIT

THE COMMUNITY CONNECTIONS PROGRAM DRIVES VALUE

June 2023 – The Northwest Michigan Community Health Innovation Region (NWCHIR) Community Connections Program is a Community Health Worker Program providing resource navigation services to families in northern Michigan.

The Community Connections Program was recently showcased in the Stratis Health and The Center for Rural Health Policy Analysis sponsored “*Rural Health Value Summit*”. This Summit highlighted innovative and impactful programs around the country that are “*Driving Value through Community Based Partnerships*”.
